

Articulation Programs:

- Bachelor of Engineering Technology

Institution name	Niagara College																							
Location	Wellington, ON, Canada																							
Date of signing	July 31, 2014																							
Date of expiry	July 30, 2019																							
Program Description	This articulation agreement will allow qualified graduates of Niagara College diploma programs to enter CBU's Bachelor of Engineering Technology programs with advanced standing.																							
Program Details	<p>Cape Breton University and Niagara College agree to cooperate with the purpose of offering degree completion options to students of Niagara College diploma programs as shown below:</p> <p style="text-align: center;">CBU Degree Programs</p> <p style="text-align: center;">Min. # of credits at CBU Empty field indicates not applicable.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: left;">From Niagara College's Technology Diplomas</th> <th style="text-align: center;">BET Electronics and Controls</th> <th style="text-align: center;">BET Environmental Studies All courses available by distance</th> <th style="text-align: center;">BET Manufacturing All courses available by distance</th> <th style="text-align: center;">BET Petroleum</th> </tr> </thead> <tbody> <tr> <td>Electrical Engineering Technology</td> <td style="text-align: center;">36</td> <td></td> <td style="text-align: center;">30</td> <td style="text-align: center;">36</td> </tr> <tr> <td>Electronics Engineering Technology</td> <td style="text-align: center;">36</td> <td></td> <td style="text-align: center;">30</td> <td style="text-align: center;">36</td> </tr> <tr> <td>Mechanical Engineering Technology</td> <td></td> <td></td> <td style="text-align: center;">30</td> <td style="text-align: center;">36</td> </tr> </tbody> </table>				From Niagara College's Technology Diplomas	BET Electronics and Controls	BET Environmental Studies All courses available by distance	BET Manufacturing All courses available by distance	BET Petroleum	Electrical Engineering Technology	36		30	36	Electronics Engineering Technology	36		30	36	Mechanical Engineering Technology			30	36
From Niagara College's Technology Diplomas	BET Electronics and Controls	BET Environmental Studies All courses available by distance	BET Manufacturing All courses available by distance	BET Petroleum																				
Electrical Engineering Technology	36		30	36																				
Electronics Engineering Technology	36		30	36																				
Mechanical Engineering Technology			30	36																				
Prospective transfers	<p>CBU has an agreement with many colleges which results in transfer credit being given to specified Engineering Technology Diploma graduates, such that as few as 36 credits from CBU would be required to complete the BET Degree program.</p> <p>Prospective students are encouraged to contact their college for information on the agreement with CBU or to contact CBU directly. Where no agreement exists, individual consideration will be given to possible transfer credits. In any case, however, residency requirements must still be met.</p>																							

	<p>Electives: Selection of all electives must be done through prior consultation with a faculty advisor from the program.</p> <p>Residence requirements: Graduation with the degree (or diploma) normally requires that the student take a minimum of 50% of the program's required courses from CBU. CBU distance courses can be included to meet the residency requirements. Some joint programs, such as the articulation agreements previously noted in the Transfer Credit section, may allow special circumstances which differ from this minimum.</p> <p>Graduation requirement: For this three year program, a minimum of all courses in the program (or approved equivalent) must be completed to be eligible for graduation.</p>
How To Apply	<p>Students holding a completed diploma in the above agreement can apply to Cape Breton University online at www.cbu.ca/apply. At the time of application, students will choose the <i>Articulation Agreement</i> and have all official transcripts forwarded to CBU.</p> <p>Once admitted into the program, students can meet with an academic advisor to help select the courses to complete their Bachelor of Engineering Technology degree.</p>
Academic Schools	School of Science & Technology
