

Articulation Programs:

- Bachelor of Engineering Technology
- Bachelor of Technology (Emergency Management) [**Temporarily Suspended- please contact Admissions Office to get more information**]

Institution name	Thompson River University									
Location	Kamloops, BC, Canada									
Date of signing	January 23, 2009									
Date of expiry	January 22, 2014									
Program Description	This articulation agreement will allow qualified graduates of Thompson River University diploma program to enter CBU's Bachelor of Engineering Technology degree programs with advanced standing.									
Program Details	<p>Cape Breton University and Thompson River University agree to cooperate with the purpose of offering degree completion options to students of TRU's diploma programs as shown below:</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th style="text-align: center;">CBU Degree Programs</th> <th colspan="2" style="text-align: center;">Min. # of credits to completion at CBU [Empty field indicates not applicable]</th> </tr> <tr> <th style="text-align: center;">From Thompson River University's Technology Diplomas</th> <th style="text-align: center;">BET Manufacturing All courses available by distance</th> <th style="text-align: center;">BET Petroleum</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">Architectural Engineering Technology</td> <td style="text-align: center;">30</td> <td style="text-align: center;">36</td> </tr> </tbody> </table>	CBU Degree Programs	Min. # of credits to completion at CBU [Empty field indicates not applicable]		From Thompson River University's Technology Diplomas	BET Manufacturing All courses available by distance	BET Petroleum	Architectural Engineering Technology	30	36
CBU Degree Programs	Min. # of credits to completion at CBU [Empty field indicates not applicable]									
From Thompson River University's Technology Diplomas	BET Manufacturing All courses available by distance	BET Petroleum								
Architectural Engineering Technology	30	36								
Prospective transfers	<p>CBU has an agreement with many colleges which results in transfer credit being given to specified Engineering Technology Diploma graduates, such that as few as 36 credits from CBU would be required to complete the BET Degree program.</p> <p>Prospective students are encouraged to contact their college for information on the agreement with CBU or to contact CBU directly. Where no agreement exists, individual consideration will be given to possible transfer credits. In any case, however, residency requirements must still be met.</p>									

	<p>Electives: Selection of all electives must be done through prior consultation with a faculty advisor from the program.</p> <p>Residence requirements: Graduation with the degree (or diploma) normally requires that the student take a minimum of 50% of the program's required courses from CBU. CBU distance courses can be included to meet the residency requirements. Some joint programs, such as the articulation agreements previously noted in the Transfer Credit section, may allow special circumstances which differ from this minimum.</p> <p>Graduation requirement: For this three year program, a minimum of all courses in the program (or approved equivalent) must be completed to be eligible for graduation.</p>
How To Apply	<p>Students holding a completed diploma in any of the above agreements can apply to Cape Breton University online at www.cbu.ca/apply. At the time of application, students will choose the <i>post-diploma</i> option of the degree and have all official transcripts forwarded to CBU. Once admitted into the program, students can meet with an academic advisor to help select the courses to complete their Bachelor of Engineering Technology degree.</p> <p>Students interested in applying for the Bachelor of Technology (Emergency Management) can apply online at www.cbu.ca/apply. All official transcripts are to be forwarded to Cape Breton University along with a Statement of Interest, Cover letter and Resume or Curriculum Vitae (CV).</p>
