

Articulation Programs:

- Bachelor of Arts Community Studies (Please contact CBU's Enrolment Services for details.)
- Bachelor of Business Administration (Please contact CBU's Enrolment Services for details.)
- Bachelor of Engineering Technology

Institution name	College of North Atlantic (CNA)																																																																										
Location	Newfoundland and Labrador, Canada																																																																										
Date of signing	October 5, 2016																																																																										
Date of expiry	October 4, 2021																																																																										
Program Description	This articulation agreement will allow qualified graduates of CNA diploma programs to enter CBU's Bachelor of Engineering Technology programs with advanced standing.																																																																										
Program Details	<p>CBU and CNA agree to cooperate with the purpose of offering degree completion options to students of College of North Atlantic diploma programs as shown below:</p> <table border="1"> <thead> <tr> <th>CBU Degree Programs (Min. # of credits to completion at CBU) Empty field indicates not applicable</th> <th>BET Electronics and Controls</th> <th>BET Environmental Studies All courses available by distance</th> <th>BET Manufacturing All courses available by distance</th> <th>BET Petroleum</th> </tr> </thead> <tbody> <tr> <td>From CNA's Technology Diplomas</td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>Architectural Engineering Technology</td> <td></td> <td>36</td> <td></td> <td>36</td> </tr> <tr> <td>Civil Engineering Technology (Co-op)</td> <td></td> <td>36</td> <td></td> <td>36</td> </tr> <tr> <td>Electrical Engineering Technology (Industrial Controls)*</td> <td>36</td> <td></td> <td>30</td> <td>36</td> </tr> <tr> <td>Electrical Engineering Technology (Power & Controls) (Co-op)</td> <td>36</td> <td></td> <td>30</td> <td>36</td> </tr> <tr> <td>Instrumentation and Controls Engineering Technology</td> <td>36</td> <td></td> <td>30</td> <td>36</td> </tr> <tr> <td>Electronics Engineering Technology (Biomedical)</td> <td>36</td> <td></td> <td>30</td> <td>36</td> </tr> <tr> <td>Environmental Technology*</td> <td></td> <td>36</td> <td></td> <td>36</td> </tr> <tr> <td>Industrial Engineering Technology (Co-op)</td> <td></td> <td></td> <td>30</td> <td>36</td> </tr> <tr> <td>Mechanical Engineering Technology</td> <td></td> <td></td> <td>30</td> <td>36</td> </tr> <tr> <td>Mechanical Engineering Technology (Manufacturing) (Co-op)</td> <td></td> <td></td> <td>30</td> <td>36</td> </tr> <tr> <td>Petroleum Engineering Technology (Co-op)</td> <td></td> <td></td> <td></td> <td>36</td> </tr> <tr> <td>Process Operations Engineering Technology</td> <td></td> <td></td> <td></td> <td>36</td> </tr> </tbody> </table>					CBU Degree Programs (Min. # of credits to completion at CBU) Empty field indicates not applicable	BET Electronics and Controls	BET Environmental Studies All courses available by distance	BET Manufacturing All courses available by distance	BET Petroleum	From CNA's Technology Diplomas					Architectural Engineering Technology		36		36	Civil Engineering Technology (Co-op)		36		36	Electrical Engineering Technology (Industrial Controls)*	36		30	36	Electrical Engineering Technology (Power & Controls) (Co-op)	36		30	36	Instrumentation and Controls Engineering Technology	36		30	36	Electronics Engineering Technology (Biomedical)	36		30	36	Environmental Technology*		36		36	Industrial Engineering Technology (Co-op)			30	36	Mechanical Engineering Technology			30	36	Mechanical Engineering Technology (Manufacturing) (Co-op)			30	36	Petroleum Engineering Technology (Co-op)				36	Process Operations Engineering Technology				36

Final graduating class will finish in June 2015 Note: Previous pre Co-op program editions remain eligible for advanced standing.</p>	Process Automation Engineering Technology	36		30	36	Electrical Engineering Technology	36		30	36	Telecommunications Engineering Technology*	36		30	36
Process Automation Engineering Technology	36		30	36												
Electrical Engineering Technology	36		30	36												
Telecommunications Engineering Technology*	36		30	36												
Prospective Transfers	<p>CBU has an agreement with many colleges which results in transfer credit being given to specified Engineering Technology Diploma graduates, such that as few as 36 credits from CBU would be required to complete the BET Degree program.</p> <p>Prospective students are encouraged to contact their college for information on the agreement with CBU or to contact CBU directly. Where no agreement exists, individual consideration will be given to possible transfer credits. In any case, however, residency requirements must still be met.</p> <p>Electives: Selection of all electives must be done through prior consultation with a faculty advisor from the program.</p> <p>Residence requirements: Graduation with the degree (or diploma) normally requires that the student take a minimum of 50% of the program's required courses from CBU. CBU distance courses can be included to meet the residency requirements. Some joint programs, such as the articulation agreements previously noted in the Transfer Credit section, may allow special circumstances which differ from this minimum.</p> <p>Graduation requirement: For this three year program, a minimum of all courses in the program (or approved equivalent) must be completed to be eligible for graduation.</p>															
How To Apply	<p>Students holding a completed diploma in any of the above agreements can apply to Cape Breton University online at www.cbu.ca/apply. At the time of application, students will choose the <i>post-diploma</i> option of the degree and have all official transcripts forwarded to CBU. Once admitted into the program, students can meet with an academic advisor to help select the courses to complete their Bachelor of Engineering Technology degree.</p> <p>Students interested in applying for the Bachelor of Technology (Emergency Management) can apply online at www.cbu.ca/apply. All official transcripts are to be forwarded to Cape Breton University along with a Statement of Interest, Cover letter and Resume or Curriculum Vitae (CV).</p>
