Sales/Marketing Strategist

ATTN: STUDENTS

We are looking for a dynamic, creative person to join our team. Your job will be to use web technologies to help us build our on-line presence and achieve our business growth goals as well as to assist customers on the sales floor. If you are a tech-savvy, creative, outgoing individual who can work well with minimal supervision, you could be a perfect fit for this position.

Responsibilities

- Help to develop digital marketing strategies using all necessary and available tools (e.g. website, email campaigns and social media).
- Analyze web traffic data and suggest solutions to boost web presence
- Help to build strong relationships with our customers through social media interaction
- Help to identify on-line advertising opportunities
- Assist customers in making purchases

Requirements

- Preference given to a 2nd year or higher Marketing or Communication Student
- Must have a valid driver's license (standard transmission would be a bonus)
- Clean driver's abstract
- Between ages of 19 and 30
- Must be a current Full Time student who is returning Full Time in the fall.

Employment dates: June 4 to August 24th, 2018 (12 Weeks), 37.5 hrs/wk.

Job may require some weekends.

Deadline to apply May 31, 2018
