Prospective Transfers	<div>CBU has an agreement with many colleges which results in transfer credit being given to specified Engineering Technology Diploma graduates, such that as few as 36 credits from another college would be required to complete the BET Degree program.</div> <div>Prospective students are encouraged to contact their college for information on the agreement with CBU or to contact CBU directly. Where no agreement exists, individual consideration will be given.</div>																																		

	<p>be given to possible transfer credits. In any case, however, residency requirements must be met.</p> <p>Electives: Selection of all electives must be done through prior consultation with a faculty advisor from the program.</p> <p>Residence requirements: Graduation with the degree (or diploma) normally requires that student take a minimum of 50% of the program's courses from CBU. CBU distance courses can be included to meet the residency requirements. Some joint, program-specific articulation agreements previously noted in the Transfer Credit section may allow special circumstances which differ from this minimum.</p> <p>Graduation requirements: For this three year program, a minimum of all courses in the program (or approved equivalent) must be completed to be eligible for graduation.</p>
How To Apply	<p>Students holding a completed diploma in any of the above categories can apply to Cape Breton University online at <a href="http://www.cbu.ca/apply">www.cbu.ca/apply</a>. At the time of application, students will choose the post-diploma option of the degree and have all official transcripts forwarded to CBU.</p> <p>Once admitted into the program, students can meet with an academic advisor to help choose courses to complete their Bachelor of Engineering Technology degree.</p>
