

Articulation Programs:

Bachelor of Engineering Technology

Institution name	CambrianCollege																																																										
Location	SudburyON, Canada																																																										
Date of signing	April 7, 2015																																																										
Date of expiry	April6, 2020																																																										
Program Description	This articulation agreement will allow qualified graduates of Cambrian College diploma programs to enter CBU Bachelor of Engineering Technology programs with advanced standing.																																																										
Program Details	<p>CBU andCambrianCollege agree to cooperate with the purpose of offering degree completion options to students of Cambrian College diploma programs as shown below:</p> <table border="1"> <thead> <tr> <th>CBU DegreePrograms Min. # of credits to completion : CBU [Empty field indicates not applicable]</th><th>Electronics and Controls BET</th><th>Environmental Studies All courses available by distance BET</th><th>Manufacturing All courses available by distance BET</th><th>Petroleum BET</th></tr> </thead> <tbody> <tr> <td>From Cambrian College's Technology Diplomas</td><td></td><td></td><td></td><td></td></tr> <tr> <td>Automation Engineering Technology</td><td>36</td><td></td><td>30</td><td>36</td></tr> <tr> <td>Chemical Engineering Technology Lab and Process Control</td><td></td><td>36</td><td></td><td>36</td></tr> <tr> <td>Civil Engineering Technology</td><td></td><td>36</td><td></td><td>36</td></tr> <tr> <td>Electrical Engineering Technology</td><td>36</td><td></td><td>30</td><td>36</td></tr> <tr> <td>Electronics Engineering Technology</td><td>36</td><td></td><td>30</td><td>36</td></tr> <tr> <td>Energy Systems Technology</td><td></td><td>36</td><td>30</td><td>36</td></tr> <tr> <td>Geological Engineering Technology</td><td></td><td>36</td><td></td><td>36</td></tr> <tr> <td>Mining Engineering Technology</td><td></td><td>36</td><td></td><td>36</td></tr> <tr> <td>Power Engineering Technology</td><td></td><td>36</td><td>30</td><td>36</td></tr> </tbody> </table> <p>*No longer offered</p>				CBU DegreePrograms Min. # of credits to completion : CBU [Empty field indicates not applicable]	Electronics and Controls BET	Environmental Studies All courses available by distance BET	Manufacturing All courses available by distance BET	Petroleum BET	From Cambrian College's Technology Diplomas					Automation Engineering Technology	36		30	36	Chemical Engineering Technology Lab and Process Control		36		36	Civil Engineering Technology		36		36	Electrical Engineering Technology	36		30	36	Electronics Engineering Technology	36		30	36	Energy Systems Technology		36	30	36	Geological Engineering Technology		36		36	Mining Engineering Technology		36		36	Power Engineering Technology		36	30	36

From Cambrian College's Technology Diplomas																																																											
Automation Engineering Technology	36		30	36																																																							
Chemical Engineering Technology Lab and Process Control		36		36																																																							
Civil Engineering Technology		36		36																																																							
Electrical Engineering Technology	36		30	36																																																							
Electronics Engineering Technology	36		30	36																																																							
Energy Systems Technology		36	30	36																																																							
Geological Engineering Technology		36		36																																																							
Mining Engineering Technology		36		36																																																							
Power Engineering Technology		36	30	36																																																							

Prospective Transfers	<p>Prospective students are encouraged to contact their college for information on the agreement with CBU or to contact CBU directly. Where no agreement exists, individual consideration will be given to possible transfer credits. In any case, however, residency requirements must still be met.</p> <p>Electives: Selection of all electives must be done through prior consultation with a faculty advisor from the program.</p> <p>RESIDENCY AND DISTANCE COURSES: The CBU BET programs require that all of the credits specified in the preceding table for a particular option be taken from CBU. A number of CBU courses are available by distance (paper or online), including some of the required courses for the Bachelor of Engineering Technology degree programs and may, in some instances, be the only offering of that particular course that year. CBU distance courses may be used to fulfill the credit residency requirement.</p> <p>Graduation requirements: For this three year program, a minimum of all courses in the program (or approved equivalent) must be completed to be eligible for graduation.</p>
How To Apply	<p>Students holding a completed diploma in any of the above agreements can apply to Breton University online at www.cbu.ca/apply. At the time of application, students will choose the post-diploma option of the degree and have all official transcripts forwarded to CBU.</p> <p>Once admitted into the program, students can meet with their academic advisor to help select the courses to complete their Bachelor of Engineering Technology degree.</p>
