

Articulation Programs:

Bachelor of Engineering Technology

Institution name	George Brown College			
Location	Toronto, ON, Canada			
Date of signing	February 27, 2015			
Date of expiry	February 2, 2020			
Program Description	This articulation agreement will allow qualified graduates of George Brown College's diploma program to enter CBU's Bachelor of Engineering Technology programs with advanced standing.			
Program Details	Cape Breton University and George Brown College agree to cooperate with the purpose of offering degree completion options to students of George Brown College's diploma programs as shown below:			
	CBU Degree Programs Min.# of credits at CBU Empty field indicates not applicable	Environmental Studies <small>All courses available by distance</small>	Manufacturing <small>All courses available by distance</small>	Petroleum
	From George Brown College's Technology Diplomas	BET	BET	BET
	Civil Engineering Technology	36		36
	Mechanical Engineering Technology - Design		30	36
Prospective Transfers	Prospective students are encouraged to contact their college for information on the agreement or to contact CBU directly. Where no agreement exists, individual consideration will be given for possible transfer credits. In any case, however, residency requirements must still be met.			

	<p>Electives: Selection of all electives must be done through prior consultation with a faculty member from the program.</p> <p>RESIDENCY AND DISTANCE COURSES: The CBU BET programs require that all of the credits specified in the preceding table for a particular option be taken from CBU. A number of CBU courses are available by distance (paper or online), including some of the required courses for the Bachelor of Engineering Technology degree programs and may, in some instances, be the only offering of that particular course that year. CBU distance courses can be used to fulfill the credit residency requirement.</p> <p>Graduation requirements: For this three year program, a minimum of all courses in the program or approved equivalent must be completed to be eligible for graduation.</p>
How To Apply	<p>Students holding a completed diploma in the above agreement can apply to Cape Breton University online at www.cbu.ca/apply. At the time of application, students will choose the diploma option and have all official transcripts forwarded to CBU.</p> <p>Once admitted into the program, students can meet with an academic advisor to help select courses to complete the Bachelor of Engineering Technology degree.</p>
