

Articulation Programs:

Bachelor of Engineering Technology

Institution name	Shaheed Baba Deep Singh College		
Location	Chandigarh, India		
Date of signing	December 12, 2017		
Date of expiry	December 12, 2022		
Program Description	This articulation agreement will allow qualified students of Shaheed Baba Deep Singh College to enter CBU's Bachelor of Engineering Technology programs with advanced standing.		
Program Details	Cape Breton University and Shaheed Baba Deep Singh College agree to cooperate with the purpose of offering degree completion options to students of SBDS' Diploma programs as shown below:		
	CBU Degree Programs Min. # of credits at CBU Empty field indicates not applicable.	BET Electronics and Controls	BET Manufacturing All courses available by distance
	From SBDS's Technology diploma programs		
	Engineering Technology Diploma (Electrical)	57*	
Engineering Technology Diploma (Mechanical)		57*	
The remaining credits can be completed in 16 months as outlined Appendices. COURSE CREDIT MINIMUM: The CBU Bachelor of Engineering Technology (BET) Programs require the completion of a minimum of 57 credits of course work (as indicated in the table) after graduation from a credited technology diploma program. This normally requires a minimum of 16 months (four semesters) of full time study to complete.			

<p>Prospective transfers</p>	<p>ELECTIVES: CBU offers university courses in arts, business, engineering, humanities, sciences and technology. These are available to students in the Bachelor of Engineering Technology degree programs. In consultation with a CBU faculty advisor, these select be made to expand interests in liberal arts or develop specific strengths where program indicate elective courses are required.</p> <p>RESIDENCY AND DISTANCE COURSES: The CBU BET programs require that all of the credits specified in the preceding table for a particular option be taken from CBU. A number CBU courses are available by distance (paper or online), including some of the required for the Bachelor of Engineering Technology degree programs and may, in some instances, be the only offering of that particular course that year. CBU distance courses can be used to meet the credit residency requirement.</p> <p>ADDITIONAL ACADEMIC AND/OR PROFESSIONAL CREDITS: In situations where a significant overlap is perceived by the applicant to exist between academic work completed at another institution, or formal training/experience acquired in the workplace, and the required course work in the CBU BET Degree program, the student may "challenge" up to a maximum of 6 credits of required Program credits, subject to the provisions as outlined in the current CBU Academic Calendar.</p> <p>PRIOR LEARNING ASSESSMENT (PLA) CREDITS: Prior Learning Assessment (PLA) credits will not be granted for any required CBU credits indicated in this Articulation Agreement.</p> <p>START TIMES: For the Manufacturing option studies may commence in May, September or January, as prerequisite requirements and course scheduling permits. Studies begin in September for the Electronics & Controls option.</p> <p>MINIMUM TIME REQUIRED TO COMPLETE A DEGREE: One academic year is the minimum time normally required to complete the BET Degree.</p> <p>NOTE: Bachelor of Engineering Technology Degrees do not directly lead to Professional Engineering designation.</p>
<p>How To Apply</p>	<p>Students holding a completed diploma or degree from one of the above agreements can apply to Cape Breton University online at www.cbu.ca/app. At the time of application, students will choose the Articulation Agreement option of the degree and have all official transcripts forwarded to CBU. Once admitted into the program, students can meet with an academic advisor to select the courses to complete their Bachelor of Engineering Technology degree.</p>
