

Articulation Programs:

Bachelor of Engineering Technology

Institution name	Southern Alberta Institute of Technology																																
Location	Calgary, AB, Canada																																
Date of signing	February 25, 2015																																
Date of expiry	February 4, 2020																																
Program Description	This articulation agreement will allow qualified graduates of Southern Alberta Institute of Technology diploma programs to enter CBU's Bachelor of Engineering degree program with advanced standing.																																
Program Details	<p>Cape Breton University and Southern Alberta Institute of Technology agree to cooperate with the purpose of offering degree completion options to students of diploma programs as shown below:</p> <table> <tr> <th rowspan="2">CBU Degree Programs Min. # of credits at CBU Empty field indicates not applicable.</th><th colspan="4">From The Southern Alberta Institute of Technology's Technology Diplomas</th></tr> <tr> <th>BET Electronics and Controls</th><th>BET Environmental Studies All courses available by distance</th><th>BET Manufacturing All courses available by distance</th><th>BET Petroleum</th></tr> <tr> <td>Automated Systems Engineering Technology*</td><td></td><td></td><td>30</td><td>36</td></tr> <tr> <td>Chemical Engineering Technology</td><td></td><td>36</td><td></td><td>36</td></tr> <tr> <td>Chemical Technology*</td><td></td><td>36</td><td></td><td>36</td></tr> <tr> <td>Chemical Laboratory Technology</td><td></td><td>36</td><td></td><td>36</td></tr> </table>				CBU Degree Programs Min. # of credits at CBU Empty field indicates not applicable. Prospective transfers	<p>Prospective students are encouraged to contact their college for information on the agreement with CBU or to contact CBU directly. Where no agreement exists, individual consideration will be given to possible transfer credits. In any case, however, residency requirements must still be met.</p> <p>Electives: Selection of all electives must be done through prior consultation with an advisor from the program.</p> <p>Residency and Distance Courses The CBU BET degree programs require that all of the credits specified in the preceding table for a particular option be taken from CBU. All of CBU courses are available by distance (paper or online), including some of the required courses for the Bachelor of Engineering Technology degree programs and may, in some instances, be the only offering of that particular course that year. CBU distance courses may be used to fulfill the credit residency requirement.</p> <p>Graduation requirements For this three year program, a minimum of all courses in the program (or approved equivalent) must be completed to be eligible for graduation.</p>															
How To Apply	<p>Students holding a completed diploma in the above agreement can apply to Cape Breton University online at www.cbu.ca/apply. At the time of application, students will choose the postdiploma option and have all official transcripts forwarded to CBU.</p> <p>Once admitted into the program, students can meet with an academic advisor to help them choose the courses to complete the Bachelor of Engineering Technology degree.</p>
