

Cape Breton University FALL CONVOCATION

O CANADA

O Canada! Our home and native land!
True patriot love in all of us command.

Car ton bras sait porter l'épée,
Il sait porter la croix.
Ton histoire est une épopée,
Des plus brillants exploits.

God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

Perseverance Will Triumph

MESSAGE FROM THE PRESIDENT

On behalf of the Board of Governors and our faculty and staff, I extend a very sincere congratulations to you on your graduation from Cape Breton University. While it is unfortunate the COVID-19 pandemic will not allow you to walk across the stage at convocation to receive your parchment, it does not take away from this monumental occasion in your lives.

Determined, adaptable, committed and focused, these are just some of the words that can be used to describe Cape Breton University's fall graduating class of 2020. Each of you likely embodied these characteristics throughout your years of study, but no one would have expected the ultimate test you would be faced with as you made your final steps toward graduation, steps that would not have been possible without those four traits mentioned above.

I commend you for your ability to adapt and transition through these last several months. And although you have completed this part of your educational journey, I encourage you to be committed to life-long learning and to being innovative. Be committed to pushing yourself and thinking outside of the box and to setting goals and achieving them.

As you embark on your journey at this challenging time for our country and the world, we wish you much success. Stay strong and keep in mind our motto, "perseverance will triumph."

Congratulations to the fall graduating class of 2020!

Yours very truly,

David C. Dingwall
President & Vice-Chancellor
Cape Breton University

MESSAGE FROM THE BOARD OF GOVERNORS

To the Cape Breton University graduating class of 2020,

While the last semester of your CBU journey has not ended as expected due to COVID-19, in true Cape Breton University style, you persevered. You adapted, you stayed strong and you employed innovative strategies to overcome these challenges. These are qualities that will serve you well wherever life takes you, and these are qualities that embody the Cape Breton University spirit.

It is with this spirit, CBU pride and a strong education, that you are now ready to enter and succeed in today's highly competitive world. Every class you've taken, every assignment you've completed and every relationship you've built at CBU has prepared you for this very moment and for all those to come. As you embark on this new chapter of your life, do so with courage and with the excitement of possibility and opportunity.

On behalf of the Cape Breton University Board of Governors, we wish you good health, happiness and success as you begin your journey as a graduate of CBU. We know you will make us proud every step of the way, and we hope, in the future, you will maintain some form of contact with your CBU family. We are confident, as I know each of you are, that as you enter the next phase of your journey you are now ready to make a positive impact on the world at large. We are proud to be able to call you one of our own.

Robert Sampson, Q.C.
Chair
Cape Breton University Board of Governors

MESSAGE FROM THE CHANCELLOR

My heartfelt and admirable congratulations to each of you – the Cape Breton University Graduating Class of 2020.

While the current world situation means this is not the traditional graduation ceremony, please be assured that it in no way diminishes your outstanding accomplishment. I want you to know that I am extremely proud of each and every one of you for completing this great achievement.

Convocation Day represents your success and acknowledges years of dedication and hard work. This is a day to celebrate what you have worked toward and looked forward to for many years. Today marks the end of one chapter and the exciting beginning of another.

Many of you may be new to Canada and to Cape Breton. I am a first-generation Canadian and believe that your futures are bright. And to my fellow Cape Bretoners and to all graduates, no matter where you hail from, know that your options are endless when you endeavor to seek out opportunities and use creativity and innovation in all that you do.

When you leave CBU, some of you will begin your work life and others will continue further studies. I invite all of you to boldly follow your dreams into new horizons. Wherever your paths may take you, think proudly back to your CBU home and always be aware of the ever-changing world around you. Use your resources and tenacity to face challenges and to seize opportunities.

Today is not a goodbye but a time to say until we meet again. Today is a day to be proud, to be strong and to show the world what you are made of.

Theid Dichioll Air Thoiseach – Perseverance Will Triumph.

Sincerely,

Chancellor Annette Verschuren

MESSAGE FROM THE ALUMNI ASSOCIATION PRESIDENT

Congratulations to the graduates of 2020! As your CBU Alumni Association President, it is my honour to welcome each of you to the CBU Alumni Family.

Our CBU family is a wide-spread group of people who are making a difference across the world. We're located in more than 50 countries and are truly a global community. You are now a member of the CBU Alumni family. You are the legacy of our institution and an important part of our alumni network.

I would like to take this opportunity to commend you not only on obtaining your credential but doing so during challenging times and having to adapt to an online learning format – something you did with grace and professionalism.

As you embark on a new chapter, take a moment to reflect on the accomplishments you have achieved. Education is a privilege and a tool to change the world, especially in challenging times, such as the current global pandemic. No matter the path you take, you have the power to impact people in a positive way.

Be proud to tell those you meet about your time at Cape Breton University and make it a point to remain invested in the friendships you've made while here. And, while you're busy changing the world, practice gratitude, tolerance and kindness to all you meet and keep the values of Cape Breton close to your heart.

Stay connected with the CBU Alumni Association on Facebook and Instagram or by updating your contact info at cbu.ca/alumni so that your new family can stay in touch with you.

Congratulations Class of 2020. Remember, as a member of our Alumni Family, you are **ALWAYS ORANGE**.

Sincerely,

Kelsea MacNeil, BA 2011
President, CBU Alumni Association

DESCRIPTION OF DEGREE, DIPLOMA AND CERTIFICATE REGALIA

The colours approved for University undergraduate regalia are orange, green and white. The inside lining of all undergraduate hoods, therefore, utilizes these colours with the white centring the green and orange, providing a unique arrangement of colour and design for Cape Breton University. The edging of the hood for all Bachelor's Degrees is two inches wide. The academic program is distinguished by the colours of this velvet edging.

Bachelor of Arts	White
Bachelor of Arts Community Studies	Light Green
Bachelor of Business Administration	Russet
Bachelor of Education	Light Blue
Bachelor of Hospitality and Tourism Management	Russet with Royal Blue Trim and Gold Piping
Bachelor of Technology Information	Russet/Green
Bachelor of Science	Gold
Bachelor of Science Community Studies	Gold
Bachelor of Science Nursing	Apricot
Bachelor of Health Sciences	Sage
Bachelor of Technology	Green
Bachelor of Engineering Technology	Green
Master of Business Administration	Russet with Maroon and White Lining
Master of Education in Sustainability, Creativity and Innovation	Light Blue with Royal Blue Trim and Gold Piping

The diploma and certificate programs are distinguished by the outside colour of the stoles:

Business (Post Baccalaureate)	Outside Russet; Inside Orange
Education	Outside Blue; Inside Orange
Engineering	Outside White; Inside Green
Public Administration & Management	Outside Orange; Inside Green
Engineering Technology	Outside Green; Inside Orange
Certificates	Outside White; Inside Orange

Graduand A candidate for a degree, diploma or certificate for whom the Senate has approved one or more credentials.

Graduate An individual who has successfully completed an academic program of study and upon whom the Senate has conferred at least one degree, diploma or certificate.

Graduation That point marked by the receipt of a parchment indicating conferral of a degree, diploma or certificate. A graduate need not have attended Convocation for conferral of their credential(s).

Convocation The ceremonial gathering of an assembly for the conferral of degrees, diplomas and certificates.

Chancellor The titular head of the University and the presiding officer of Convocation. As the ceremonial head of the University, the Chancellor confers all degrees, diplomas and certificates on behalf of the University.

The Cape Breton University Mural

The beautiful fabric mural, which provides the backdrop for Convocation today, is the result of the combined community effort of a very special group of volunteers.

Twenty-two craftspeople, mostly quilters from the Sydney River area, including three octogenarians, cut out all these pieces of fabric and hand-stitched them into this wonderful hanging. It represents more than 2,500 hours of labour, over a period of three years. The lettering of the University motto, for example, took 88 hours to complete.

The three panels cover an area nearly 50 square metres (10m by 5m) high. The 4m by 5m centre panel bears the University Coat of Arms—accurate in every detail and almost 2m in height.

Dean Rick Pierrynowski

Valedictory:

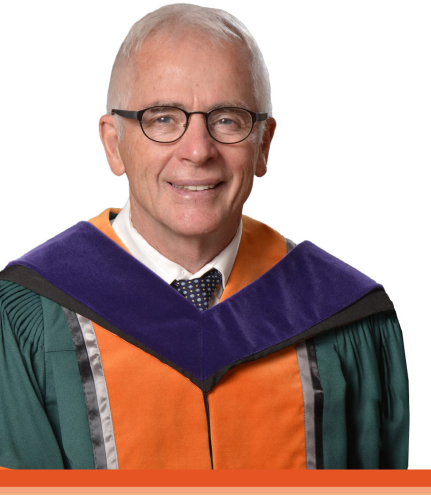

Mr. Austin Chapman

Alumni Welcome to Graduates

Rise Again

HONORARY DEGREE RECIPIENT

DR. RONALD E. MACCORMICK

Dr. Ronald E. MacCormick, MD, FRCPC, has a long-standing and deeply-rooted connection to Cape Breton. Both his parents were born and raised in Cape Breton, and Dr. MacCormick has impacted the lives of thousands of Cape Bretoners whom he has cared for during his time as a medical oncologist at the Cape Breton Regional Hospital Cancer Centre. Dr. MacCormick is devoted to the community, spending most of his career here and raising his family on the Island.

Dr. MacCormick is an Associate Professor of the Department of Medicine at Dalhousie University, plus an Adjunct Professor at Cape Breton University. He completed his medical training at Dalhousie and his specialty training at the Princess Margaret Hospital in Toronto. He has worked in Lesotho, Africa, with World University Services of Canada and has worked extensively in the Middle East. As well, Dr. MacCormick has worked to develop an important cancer registry the Republic of Sierra Leone and leads a lecture series in the Caribbean three times a year.

Dr. MacCormick is a past recipient of the prestigious R. M. Taylor Medal of the National Cancer Institute of Canada and the Canadian Cancer Society for his efforts in cancer control. In 2007, he was named Mentor of the Year by the Royal College of Physicians and Surgeons of Canada. Dr. MacCormick has more than 30 peer-reviewed publications, numerous awards, recognitions and certifications.

The first Nova Scotian medical oncologist, founding Medical Director of the Cape Breton Cancer Centre and its current Chief of Medical Oncology, Dr. MacCormick has impacted the lives and health outcomes for innumerable patients and their families in Cape Breton and Eastern Nova Scotia. He stands as an exemplar of compassion and care in the very personal fight against cancer of his patients.

Along with his many awards and certifications, Dr. MacCormick's advocacy work and commitment to delivering quality medical oncology care to Cape Breton and eastern Nova Scotia are unmatched. His advocacy has included active and ongoing lobbying of governments and medical bureaucracies to provide cancer care service to under-served areas of Nova Scotia.

In particular, in 1987, Dr. MacCormick visited Cape Breton and was surprised by the high rates of cancer and cancer mortality on the Island. At this time, Cape Breton cancer patients had to travel to Halifax for care. This realization began an active and aggressive advocacy campaign for cancer care in Cape Breton. The Cape Breton Cancer Centre opened its doors in 1998 thanks, in large part, to the efforts of Dr. MacCormick.

Other accomplishments include his coordination and chairing of the Cape Breton Cancer Symposium from 1998 to 2008, still Atlantic Canada's largest ongoing cancer education event. He was a member of the National Medical Advisory Council, Canadian Cancer Society from 1999 to 2001. He has served on more than 20 national, provincial and local committees related to cancer treatment and palliative care. Dr. MacCormick's compassion for those in medically underserved areas also extends to the developing world, and he advocates for social justice initiatives in equal medical treatment for under-represented groups.

An engaged and caring father and husband, Dr. MacCormick is also a proud promoter of Cape Breton Island. Dr. MacCormick currently lives in Cape Breton with his wife, Rhoda, and they have three children, Danaio, Maggie and Sam.

Today, Cape Breton University confers the degree Doctor of Laws, *honoris causa*, on a leader in cancer care with an international reach and whose compassion and care for people in their darkest days has impacted thousands of patients and their families, Dr. Ronald E. MacCormick.

HONORARY DEGREE RECIPIENT

LOUIS J. MAROUN

Mr. Maroun was born and raised in Sydney, N.S. He holds a Bachelor of Arts degree from the University of New Brunswick and is a Fellow of the Royal Institution of Chartered Surveyors. One of the most proficient executives in national and international real estate transactions, Mr. Maroun first began his career in real estate in 1982 following seven years with the Nova Scotia Department of the Attorney General.

Founder and current chairman of Sigma Real Estate Advisors/Sigma Capital Corporation, Mr. Maroun specializes in international real estate advisory services spanning diverse industries, including technology, medical tourism, industrial real estate, hospitality, finance and lending. The organization focuses on buying or building real estate assets and then developing them into market leaders within their industry niches. In 2006, Mr. Maroun was honoured by his election to the position of Fellow of the Royal Institution of Chartered Surveyors.

Mr. Maroun holds many board positions with several public companies and charitable organizations. He currently holds the position of Board Member and Chairman of Summit Industrial Income Real Estate Investment Trust (REIT). He is a Director of Brookfield Renewable Partners, one of the largest, publicly owned Renewable Energy companies globally and Brookfield Property Partners, which is listed as one of North America's largest real estate owner/operator asset managers with a portfolio of global assets.

A strong believer and advocate in the responsibility of the business community to contribute meaningfully and with impact to the charitable sector, Mr. Maroun has participated on numerous non-profit boards. Contributing both financially and of time, he has served as National Chair of the MS Society of Canada and Vice-Chair of the MS Scientific Research Foundation. He is a board member and co-founder, with his wife, Kathryn, of Casting for Recovery Canada, an organization that works directly with women who have, or have had, breast cancer.

On a local level, Mr. Maroun is Chair of the Shannon School of Business Advisory Board at Cape Breton University, helped raise funds for the Purdy Crawford Chair in Aboriginal Business Studies and is spearheading the creation of special collections at the CBU Library focused on Middle Eastern Studies. As well, Lou and Kathryn established an annual award named the Kathryn Maroun Award in Honour of Mother Earth that is granted each year to an Indigenous undergraduate or graduate student who has a passion for the environment.

Mr. Maroun and Kathryn are also supporters of the Cape Breton Regional Hospital Foundation, making one of the largest personal donations in the charity's history to facilitate ongoing programs and to renovate the diagnostic imaging waiting room.

When his time permits, Mr. Maroun follows another true passion for the sport of fly angling in destinations around the world, a hobby he enjoys with his wife. Lou currently resides in Bermuda with Kathryn and their two treasured dogs, Brook and Ghillie. His two sons, Derek and Kyle, live with their families, in North and South Carolina. They enjoy spending time with their three grandchildren.

Today, Cape Breton University confers the degree Doctor of Laws, *honoris causa*, to a man whose highly recognized career in international business and real estate is only matched by his philanthropic and mentoring work across North America, Louis J. Maroun.

FALL 2020 GRADUATION LIST

SCHOOL OF ARTS AND SOCIAL SCIENCES

CAPE BRETON UNIVERSITY MACE, CHAIN OF OFFICE AND CHAIRS

The Mace, given by Mr. and Mrs. Irving Schwartz in memory of Mrs. Rose Schwartz, was designed and created by Cape Breton's own jeweller and craftsman, Darryl MacLeod. The shaft of the Mace is formed by a portion of an oak window from Moxham's Castle. The top of the ornate crown is adorned with four diamonds donated by Dr. Robert Morgan in memory of his wife Barbara, who died in 1993.

The President's Chain of Office, also designed and created by Mr. MacLeod, speaks boldly of Cape Breton University and Cape Breton. The Chain was commissioned in honor of Cape Breton University's twentieth anniversary and was donated by the partners and staff of Deloitte & Touche in honour of Mr. James W. Miller, former managing partner.

Silver thistles and gold fiddles join the Chain. The Chain also has a silver fleur de lis, a replica of a coin from the "Chameau" treasure, and a silver medallion of the Cross and Crescent of the Mi'kmaw flag. CBU's Coat of Arms shares the focal point with the Great Seal of Cape Breton. The Chain is designed to represent our ties with the French and Mi'kmaw cultures, as well as our strong Celtic ties with the Scottish, Irish and Breton settlers.

Cape Breton's best known furniture maker, Leo MacNeil, crafted two chairs for our institution. The larger of the two chairs is used by the Chancellor during Convocation ceremonies. The back of the chair has the Cape Breton University Coat of Arms hand engraved and painted. The second chair is used by the President. Both chairs have been constructed from Cape Breton oak, with green velvet seats to complement the University's colours and the green of Cape Breton.

RISE AGAIN

Dr. Leon Dubinsky

When the waves roll on over the waters,
And the ocean cries,
We look to our sons and daughters
To explain our lives—
As if a child could tell us why
That as sure as the sunrise,
As sure as the sea,
As sure as the wind in the trees...

Chorus:

We rise again in the faces of our children;
We rise again in the voices of our song;
We rise again in the waves out on the ocean—
And then we rise again.

When the light goes dark with the forces of creation
Across a stormy sky,
We look to reincarnation
To explain our lives —
As if a child could tell us why
That as sure as the sunrise,
As sure as the sea,
As sure as the wind in the trees...

Chorus (twice)
