PRESIDENT & VICE-CHANCELLOR
CAPE BRETON UNIVERSITY

LAND ACKNOWLEDGEMENT

Cape Breton University acknowledges it is located in Unama’ki, one of the seven districts of Mi’kma’ki, the ancestral and unceded territory of the Mi’kmaq people. This territory is covered by the “Treaties of Peace and Friendship” which Mi’kmaq, Wolastoqiyik, and Passamaquoddy People first signed with the British Crown in 1726. The treaties did not deal with the surrender of lands and resources but, in fact, recognized Mi’kmaq and Wolastoqiyik title and established the rules for what was to be an ongoing relationship between nations.
HELLO WORLD.

Did you know that CBU is home to more than 3,600 international students representing more than 55 countries? That’s about half of CBU’s student population. So, even if you’re travelling from far away, you’ll soon meet lots of people who are also making Cape Breton their new home away from home.

A TRULY GLOBAL COMMUNITY

Discover a place where lifelong bonds are formed, hard work and potential get noticed and a diverse learning environment helps a community thrive.
See You In Canada.

Cape Breton has a population of approximately 135,000 people spread across awe-inspiring land and seascapes just waiting to be explored. With friendly people, a small, tight-knit campus and a peaceful pace of life, you’ll feel grounded in the safety and serenity of CBU and our surrounding communities.

So, what’s the weather like?

Well, it’s Canada. So, be prepared to enjoy snowy winters as well as warm, pleasant summers. If you are coming in the winter, we recommend arriving with warm clothing such as hats, gloves, boots and jackets. Can’t find anything like that where you live? Don’t worry, there are clothing stores here where you can purchase what you need to keep you comfortable.

With an airport this close, you practically land on campus. With connections to major Canadian airports (Halifax, Toronto and Montreal), the J.A. Douglas MacCurdy Sydney Airport (YQY) is just a five-minute drive from campus. Whether you are flying in or out, you’ll be there in no time.
