Message from Cape Breton University President and Vice-Chancellor

Welcome to Cape Breton University for the 2021 Subway AUS Men's and Women's Soccer Championships. We are so pleased to host you, some of the best student-athletes in the country, on our campus. The past 20 months have been challenging for all, but we persevered, and being able to participate in championships again is amazing. The energy is electric.

The work that you have put in as a student-athlete is inspiring. It is no easy task to maintain exceptional grades in the classroom and excel athletically on the field and in your communities, but you have accomplished this and so much more.

Our community is being treated to some exceptional soccer this weekend! I wish you all the very best. Have fun, play hard and enjoy every second on and off the field.

Yours very truly,

David C. Dingwall
President & Vice-Chancellor

Message from CBU Director of Athletics

As the Director of Athletics for Cape Breton University, it is always an honour to host such a prestigious championship. It is extra special that we will be hosting both the 2021 Subway AUS Men's and Women's Soccer Championships this year. I would like to thank all of our student-athletes for their commitment to their institutions and our Atlantic University Sport Conference during these most difficult past 18 months, as we work through this pandemic. All of you are the most important stakeholders in our conference, and we are so appreciative of your dedication and passion for your sport.

Due to the time, effort and commitment of our sponsors, volunteers, community members and host committee, this weekend will be one to remember. I hope you take the time to enjoy the essence of this weekend. You'll make many cherished memories and experience first-class hospitality.

As a committed advocate for university sport, I want to commend you for your hard work, dedication and spirit. To play at this level takes perseverance, determination and skill. You earned your place here, and we are proud of each and every one of you.

John Ryan
Director of Athletics
Cape Breton University

MESSAGE FROM ATLANTIC UNIVERSITY SPORT

On behalf of Atlantic University Sport and our 11 member universities, I'm thrilled to be welcoming you to the 2021 Subway AUS Soccer Championships, presented by Bell.

While the energy around championship season is always special, this year's anticipation is even more palpable. After a year without competition and cheering fans, we are so excited to be back in action—and grateful to be sharing the action with you. Thank you all for your enduring support of AUS and this great weekend of championship soccer at Cape Breton University.

To the student-athletes who have put in the work and earned the opportunity to represent their universities in this championship—congratulations! Thank you for your inspiring performances throughout the regular season, your commitment to your sport and your unwavering desire to compete despite a challenging couple of years. I wish you the best of luck this weekend and throughout the rest of your school year.

AUS championships are an opportunity for alumni, parents, faculty, staff, students and corporate partners to share some time together and enjoy top-level competition. This championship would not be possible without the considerable time and effort devoted by CBU's outstanding organizing committee and volunteers. For those working behind the scenes, I thank you for investing your time in this event and our student-athletes, and for creating an atmosphere that's sure to be memorable.

Phillip M. Currie

Executive Director, Atlantic University Sport
