

Post Baccalaureate Diploma in Business Analytics – Diploma Planning Worksheet
September/ January Intake Course Planning:

- You must achieve a **minimum of 60%** in all required courses.
- You must have an **overall minimum average of 70%** to be eligible for an internship.
- **Pre-requisites:** A **Pre-requisite** course must be successfully completed **before** enrolling into a required course.
- Extremely important that students follow course planning outline given below. Taking courses out of the planned order may result in failure to meet pre-requisites for future courses and could delay program completion.
- You must **earn 39 credits to complete the diploma**. Successful completion of 11 required courses will earn 33 credits. The additional 6 credits will be earned upon successful completion of either the Internship (6 Credits) or the Capstone Project (6 Credits).
