CBU's Downtown Locations

Cape Breton University is pleased to expand our presence into the downtown community.

Classrooms at Cineplex

Cape Breton University has expanded its presence into the downtown community while the main campus undergoes construction. During this time, students studying in CBU's Post-Baccalaureate Diploma programs will have an opportunity to temporarily take some of their classes in CBU's downtown classrooms at Cineplex, located in the heart of downtown Sydney! With an office space next door for students to meet with faculty members, student placement officers and their program manager, to the full suite of student support services on-site, students will have everything they need at their fingertips. To determine whether you have a class in our Cineplex classrooms, please refer to your class schedule. If you see CPLX next to one of your classes, that class will be located in the Cineplex classroom location.

We have lots of exciting infrastructure plans to make our campus the best it can be. We can't wait for you to be part of it!

500 George Street

CBU has recently expanded to a second downtown location at 500 George Street. Located within walking distance of the downtown classrooms at Cineplex, this space features study areas and collaborative spaces for post-bacc students and their peers in other programs.
