Land Acknowledgement

Cape Breton University acknowledges it is located in Unama'ki, one of the seven districts of Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq people. This territory is covered by the "Treaties of Peace and Friendship" which Mi'kmaq, Wolastoqiyik, and Passamaquoddy People first signed with the British Crown in 1726. The treaties did not deal with the surrender of lands and resources but, in fact, recognized Mi'kmaq and Wolastoqiyik title and established the rules for what was to be an ongoing relationship between nations.
