Message from Cape Breton University President and Vice-Chancellor

Welcome to Cape Breton University for the 2023 AUS Men's and Women's Soccer Championships Presented by Bell. We are so pleased to host you, some of the best student-athletes in the country, on our campus. The energy heading into this Championship is electric and we can't wait to watch it unfold.

The work you have put in as a student-athlete is inspiring. It is no easy task to maintain exceptional grades in the classroom and excel in the field and in your communities, but you have accomplished this and so much more.

Our community is being treated to some exceptional soccer this week! I wish you all the very best. Have fun, play hard and enjoy every second on and off the field.

Yours very truly,

David C. Dingwall
President & Vice-Chancellor

Message from CBU Director of Athletics & Recreation

As the Director of Athletics and Recreation for Cape Breton University, it is always an honour to host such a prestigious championship on our campus. We are honoured to host the 2023 AUS Men's and Women's Soccer Championships Presented by Bell here at the Ness Timmons Soccer Field. I would like to thank all of our participating student-athletes for their commitment to their institutions and our Atlantic University Sport Conference. All of you are the most important stakeholders in our conference, and we are so appreciative of your dedication and passion for your sport.

Due to the time, effort and commitment of our sponsors, volunteers, community members and host committee, this week will be one to remember. I hope you take the time to enjoy the essence of the week while you make many cherished memories and experience first-class hospitality.

As a committed advocate for university sport, I want to commend you for your hard work, dedication and spirit. To play at this level takes perseverance, determination and skill. You earned your place here, and we are proud of each and every one of you.

John Ryan
Director of Athletics
Cape Breton University

MESSAGE FROM ATLANTIC UNIVERSITY SPORT

I am honoured to have the opportunity, on behalf of Atlantic University Sport and our 11 member universities, to welcome you to the 2023 AUS Soccer Championships, presented by Bell.

Over 2,000 student-athletes compete each year for the right to represent their university in one of our 17 AUS championships. I would like to congratulate them on attaining this goal and thank each of them for the inspiring performances they provide us with during the season and for those to come over the course of this championship.

AUS championships also allow the opportunity for alumni, parents, faculty, staff, students and our corporate partners to share some time together and enjoy the competition. I welcome all of you and thank you for your support.

And to our student-athletes, I wish for each of you an outstanding performance that you can take pride in. I know that all of you will take home warm memories and new friendships and be richer for the experience you have gained through this AUS championship.

Phillip M. Currie
President and CEO, Atlantic University Sport
